## STARTED OVER BALL GAME

White and Black Race Riot in New York  
Yesterday Caused by Dispute Over  
Settlement of Wages—Umpire  
at Bottom of It.

New York, Aug. 5.—As the result of a fierce race riot in Harlem's "Little Africa," John McQue, white, is dead and Matthew Murtin is dying. The trouble arose over the umpire's decision in a ball game. Fifty blacks and whites are badly hurt and 15 are under arrest. Three hundred police quelled the riot.

The game was being played in the vicinity of 136th street and Fifth avenue yesterday. A white man and a colored man made a wager over the game, and the riot started over their dispute as to settlement. The sight of a black man and a white fighting excited the crowd, and there were soon 5,000 people engaged in the encounter. Base ball bats, sticks and stones were used on one side and razors on the other. The constantly augmented mob surged up and down the street, while the police reserves from eight districts hampered away.

As usual in race riots here, occupants of homes along the line of battle were not content to be spectators merely, but from roofs, windows and every other place of vantage, they threw every bit of crockery and furniture that could be spared upon the heads of the rioters. Women and children joined in the fray or encouraged the men.

After two hours the police got control of the situation and then patrol and hospital wagons picked up those who were so seriously hurt or so tired out that they couldn't get away. The neighborhood was patrolled last night by several hundred policemen.

NUMEROUS CRIMES  
IN NEW YORK CITYMob Crazy for Blood Tries to Kill People  
While the Police Try to Arrest  
Them.

New York, Aug. 5.—Another murderous assault was added last night to the police record of recent crimes against defenseless women and girls. Last night's victim was Miss Ellen Bulger, a woman of uncertain age, who was attacked in her apartment in the Bronx, cruelly beaten and left in a helpless state. The woman was removed to a hospital, where it was found that her skull had apparently been fractured, her face and hands lacerated and her body otherwise bruised. It was apparent from indications that she had made a courageous fight. From what the police were able to learn from her, she was surprised by a smooth-faced stranger perhaps 40 years old. He was contemptuous and wore an outlandish and dark trousers. He escaped.

Just before Miss Bulger was assaulted, George Kestner, a Russian, charged with attempted assault upon an eight-year-old girl, was set upon by a crowd of men and all but killed. The clothes were torn from his body and he was taken to a station house, where he was kept until a doctor set upon him. Hilo Salola, an Indian, who was similarly assaulted, and only the timely intervention of police reserves saved him from summary punishment.

A third man, Louis Conconela, 21 years old, was the victim of the blind fury of rioters last night and will probably die of his injuries. He was innocent of wrongdoing but fell before a mob determined to have someone's blood. The dangerous temper of the people, particularly in the foreign quarters, who have been aroused to a high pitch of rage and unreasoning wrath by the points of attacks upon women and girls, was exhibited last night in repeated instances. A cry that a stranger had approached a child with familiarity was enough to convert the neighbors into a howling mob bent upon prompt vengeance.

Sadie Hamberger, aged eight years, playing in the hallway of her tenement home in East Ninety-fifth street, last evening, cried out that a man had seized her. Down the stairs came the child's father and in a moment he had George Kestner, a Russian bootmaker, 33 years old, by the throat. Another moment and 200 men and women fought with each other to get a chance to strike the Russian. Thirty policemen rescued Kestner, half dead, bleeding from a score of wounds and when every bit of clothing but his shoes had been torn from him. The police wrapped the prisoner in a blanket and hurried him away. Sadie's sister corroborated the story of the attack and the father says that he saw his daughter in the grasp of the Russian.

LOST THEIR LIVESWhen Locomotive of Passenger Train  
Jumped Track Near Angiers,  
France Yesterday Afternoon.

Angiers, France, Aug. 5.—Forty passengers in a third-class railroad car were drowned yesterday afternoon in a railroad accident three miles southwest of this town.

The locomotive of a crowded local train jumped the track when entering the bridge over the river Loire. The train, carrying 40 passengers, and the locomotive plunged into the river, 50 feet below, dragging down with it the tender, baggage car and a car carrying third-class passengers. ## MOCK DUCK ARRESTED.

Chinaman Alleged to Be in the Boston  
Massacre.

Boston, Aug. 5.—Mock Duck, one of the best known Chinamen in New York and Boston, and considered one of the leaders of the Hop Sing Tong, was early yesterday placed under arrest by Boston and Quincy officers in Quincy on the charge of being concerned in the "shooting up" of Chinatown in Boston Friday night, when three Chinamen of the On Leong Tong were murdered and a number of others seriously injured.

Mock Duck was found in a laundry at 413 Washington street, Quincy, in bed. He was wearing a Chinese suit, but a suit of American clothes was found near by and also a 44-calibre revolver such as was used in the Oxford place shooting in Boston.

Several Boston Chinamen claimed to recognize Mock Duck as one concerned in the shooting and he was brought to Boston and locked up.

Seven of the ten Chinamen known to have taken part in the shooting are now under arrest and last night a big raid was planned to take place in the Chinatown district. It is hoped to disclose the hiding place of perhaps the others who are believed to be scattered here by Hop Sing Tong men, waiting a favorable opportunity to get out of the city.

## MARY EDWARDS DROWNED

Lost Her Life in Lake St. Catherine in  
Wells, Vermont, When a Rowboat  
Was Struck by a Launch on  
Saturday Afternoon.

Rutland, Aug. 5.—A drowning accident which cost the life of Mary Edwards of Granville, N. Y., aged 14, occurred at Lake St. Catherine in the town of Wells, about 5 o'clock Saturday afternoon.

A rowboat, in which were Mrs. William Edwards and her 15-year-old son, and Miss Mary Edwards, daughter of Joseph Edwards, was struck by a launch owned by Norman Burdick of Albany, N. Y., and operated by David Williams. The smaller boat was overturned.

Walter Brown, about 30 years old, who witnessed the accident from the shore, sprang into the lake without removing his clothes, and reached Mrs. Edwards in time to save her.

Young Edwards, who was the only one in the party who could swim, held the little girl by the head until Harry Clark, who had jumped from his canoe and swam to the spot arrived. The boy then released his hold and swam for shore. The girl got her head about young Clark's neck and the two went down twice. As they came up the second time, Clark had just enough strength left to release himself from the girl and she sank immediately. Her body was recovered about two hours later.

Dominick of Burlington Resisted Being  
Arrested.

Burlington, Aug. 5.—An Italian, whose first name is Dominick, and Nelson Trombley indulged in a fist encounter and verbal fight yesterday afternoon on Battery street in the rear of the old Lee house and both were placed in jail. When the fight had reached its zenith and all the nearby windows were filled with curious people, Dominick drew out his lock knife and attempted to decapitate Trombley.

Officer Frank Marlowe then arrived on the scene and the furious son of Italy hurled the knife directly at him, the blade grazing and slightly cutting one of his fingers. The officer, however, managed to place both men under arrest. Liquor and a woman are said to have been the cause of the fight.

Norway went into the Union Clothing store and took out a suit suit on approval, giving an assumed name. Norway has been employed on both the Central Vermont and the Montpelier & Wells River railroads.

pous at Interlacy Park.

The Barre men of abundant avoidpous (all under 200 pounds barred) have accepted the challenge of the Montpelier Fat Men to play a game to settle the heavy-weight base ball championship of the town cities. Not by reason of his fatness, but because of his managerial abilities, Frank W. Jackson has been elected manager and for the same reason Nelson Ballard has been chosen as his assistant.

They have already signed Kim Morse, Maurice McGowan, "Little" Small, Bill Reynolds and "Fatty" Tilden. They had their eyes on a great many others and would be pleased to hear from more candidates. All candidates must weigh in at the park, without rocks in pockets or bags of shot under their clothes, and all must make the team tip at 200 pounds or more.

## POLICEMAN DRUNK.

REMOVED FROM FORCE

J. P. Lavigne of Burlington is The One  
and W. W. Garrow is Charged  
With Being Intoxicated Also.

Burlington, Aug. 5.—A meeting of the board of police commissioners was held in the police office in the afternoon for the purpose of removing from the force J. P. Lavigne. The mayor's charges were sustained and Mr. Lavigne will be permanently removed from the force. Mr. Lavigne admitted the charges and stated that it was the only time he had touched liquor in several years. This statement was not questioned but it being an open violation of the rules it was decided the officer could not be overlooked.

Just before the hearing in the Lavigne case word came that Officer W. W. Garrow, who is a beat in the north end, was under the influence of liquor. At the close of the hearing Chief Russell and Mayor Bigelow visited Garrow's beat and found him in such a condition that he was not allowed to finish his night's work and Mayor Bigelow has suspended him for a perfect recovery, special clerical duties and a half month's work in the police commissioners to show cause why he should not be permanently removed from the force.

Picnic Saturday

## FINE WEATHER HELPED OUT

Sports Were About the Best Ever Seen  
at a Clan Picnic—Dancing and  
Other Amusements Were  
to Be Had.

Ideal weather, a large crowd and good sports made the 23d annual picnic and games held by Clan Gordon, No. 12, of the Scotch Clans, at Caledonia park Saturday a complete success. Not for three years at least have the gate receipts been so large as on Saturday, when over 1,500 people passed onto the grounds. When the sports began at 11 o'clock in the forenoon there was already a good-sized crowd present, and in the afternoon the crowd reached its height, the special train over the Wells River at 1:30 having 300 crowded onto its cars, and the electric with double-headers were crowded until late in the afternoon.

Besides the programme of sports there was provided excellent music by the Montpelier Military band, dancing free of charge in the pavilion, music for which was furnished by Gilbertson's orchestra of five pieces, and numerous side-games that entertained a large crowd every minute of the day. That the crowd had their appetites whetted was shown by the 45 gallons of ice cream eaten after the close of soft drinks, moxie, bananas, sandwiches and pop corn.

Of the side attractions Alex. Ritchie was in charge of "Haw, Maude," who let her feet every time a good spot hit her in a particularly ticklish spot in her ribs. Kicking the foot ball through the man, a device with James Mackenzie in attendance, was another William Troup kept the boys busy throwing balls at his row of dolls, and throwing balls into the barrel that Alex. Gordon had arranged was an attractive diversion. William G. Jones had charge of a green for putting golf balls into the hole, which scheme attracted all the "cow pasture" players present.

Amusement for the little children was not lost sight of either for Paul Chief William Barclay, wearing the Scotch Highlander costume, carried out his animal custom of presenting every boy and girl on the grounds under twelve years of age a ten-cent piece, and it took 340 of the ten-cent pieces to go around to all the youngsters who were lined up in the field.

The programme of sports started at 11 o'clock and lasted until nearly seven, and was eagerly watched by a crowd that lined the ropes about the field. Many of the best amateur athletes in the state contested in the sports, which were also the best that the clan has had in years. The index of the sports were Alex. J. Young and William Marr, and James Campbell as referee. Upwards of \$200 were included in the prizes.
